

Fraternal Organization Agreement Addendum  
Inter-Sorority Council, Multicultural Greek Council, and National Pan-Hellenic Council

- I. ISC, NPHC, and MGC councils develop council-specific Safety Recommendations document that includes risk management strategies and safe social practices.
  - A. Council presidents and risk managers review Safety Recommendations document at least once a year, at the beginning of leadership term.
- II. ISC, NPHC, and MGC will incorporate comprehensive Bystander Intervention training, alcohol education, and safe party practices into New Member Education.
  - A. Work with Sexual Violence Prevention Coalition and Office of the Dean of Students to develop Bystander Intervention Training/Survivor Support Network training for new members.
  - B. Work with ADAPT to develop alcohol safety training presentation.
  - C. Council leaders present and explain Safety Recommendations to New Members
- III. Timeline for changes
  - A. Safety Recommendations document presented to President Sullivan by January 5, 2015
  - B. New Member Education plans presented by March 13, 2015 (can include previously executed education sessions that the council has already hosted that calendar year for new members)
  - C. Safety Recommendations reevaluated in April 2015.

Compiled and submitted by the Inter-Sorority Council, Multicultural Greek Council, and National Pan-Hellenic Council. Signature also represents adoption of associated Council-Specific Safety Documents attached to this addendum.
